PROFILE

I am Jerome, a third-year student at the Technological University of the Philippines-Manila, pursuing a Bachelor of Science in Information Systems. I am a diligent and organized individual with a strong foundation in Information Systems. Passionate about technology, I am eager to apply my skills across various fields. My adaptability and commitment to continuous learning drive me to excel in any challenge I undertake. With a goal-oriented mindset, I seek opportunities to grow, make a meaningful impact, and contribute to innovative projects while collaborating with dynamic teams.
